Message from the Principal:

Happy December Sinclair Families! I am so pleased to announce that we have been awarded the School of Excellence Award based on our data from the 2018-2019 school year. This award is the highest honor bestowed by Prince William County Public Schools. We are accredited and have demonstrated improvement in the closing achievement gaps. We also did well with making sure students attended school. Our overall climate satisfaction for parents and teachers was rated high. We know that this award only happens if all of the pieces of the puzzle (teachers, staff, families, community, and STUDENTS) are working closely together. Congratulations to you and our students as well as our school community! I am so proud to be the principal of Sinclair. Let's keep moving forward and ensuring that we set high expectations for our very capable students and work together to give our students the best education for our very capable students and work together to give our students the best education they can get.

PS - Please make sure to keep reading over Winter Break! Practice some math and have some family fun.

SOAR on,
Mrs. Goode

Counselor's Corner:

Parents, please be aware that the window for the Middle School Specialty Programs Open December 1 and CLOSES February 1, 2020. Students may apply to the following specialty programs: Word Language at Parkside Middle School, Math and Science at Marsteller Middle School, International Baccalaureate at Stonewall Middle School, and Pennington Tradition School. Parents may go to PWCS website and search specialty programs to complete the online applications. If you need assistance and learning more about the programs, please contact the school counselors: Mrs. Edwards and Mrs. Downs at 703.361.4811.

Remember to dress appropriately for the weather. This will help decrease illnesses and absences and allow your child to be present in school.

Any parents who have opted out of the electronic distribution should receive the message in hard copy format. This message is available in Arabic, English, Korean, Spanish, Urdu, and Vietnamese on the EL Translation and Interpretation Services intranet page, choose "Translations Library," then "Special Education" to find "Rights to Special Programs, Services" documents.
