Message from the Principal:

Happy February everyone! So far we are doing pretty well in the snow department and haven't lost much instruction due to bad weather. Thank you for keeping your children bundled up tight each day. We are beginning our second half of the school year and are ready to work and do WHATEVER IT TAKES to get to the finish line strong! Students are reading, writing, practicing math, and more. We are proud of their growth so far. The second half of the year calls for continued effort. Please encourage your students to complete their reading at home every day. There are many fun events coming up in February and March. Please keep your eye on notes coming home and on the school marquee. We would love to see you all at our Science Night, Family Fitness Night and at our School Carnival! Come have some fun learning with us! Feel free to join us at our PTO/Advisory Council meeting in February too! We'd love to see you. As always, if there is anything that you need, please do not hesitate to call or email me (goodehg@pwcs.edu).

☺ Mrs. Goode

Counselor's Corner:

Parents, please discuss with your student(s) about internet safety and appropriate use of social media. Attendance is essential to academic progress and building connections with peers. It is important to be here every day and dressed appropriately for the weather. The weather is constantly changing and we would like for every student to be here healthy and ready to learn. As a reminder to our 5th grade parents, Middle School Specialty Program Applications are due February 1. We are attaching a link to view and complete the application if desired: <https://msspecialtyprograms.pwcs.edu/>

Save the Date:

Kindergarten Registration will be
Thursday, April 2, 2020
Thursday, April 16, 2020

Please call our office
703.361.4811 if you have any
questions about enrolling your
students.

*Remember students must be 5
years of age by September 30th,
2020*

Just a fun fact:

We earned \$209.73 from our recent
Chick-Fil-A event!

Science & STEM Night

When: Friday, February 7

Time: 6pm-7pm

Location: Sinclair Elementary
School cafeteria, mini-gym,
computer lab and library

Come & join us for another great science night! There will be hands on activities for families and children of all ages! We will have blue bots, ozobots, robotics teams, oobleck, catapults, coding, animal furs, and much, much more! Also, come and see the science experiments your child has completed with their class!

Any parents who have opted out of the electronic distribution should receive the message in hard copy format. This message is available in Arabic, English, Korean, Spanish, Urdu, and Vietnamese on the EL Translation and Interpretation Services intranet page, choose "Translations Library," then "Special Education" to find "Rights to Special Programs, Services" documents.
