Message from the Principal:

Happy New Year! January is here and busy as ever. We welcome you to come eat lunch with your students any day. Please continue to emphasize the importance of daily reading with your children. We have many students reading on Myon at home on computers and tablets. If you need more information about Myon, please contact your child's teacher or me and we can assist you. Libraries are warm places to visit in January too! Thank you for making sure your students are bundled up with coats and hats each day. As long as the weather is not too cold, we will try to get the students outside daily. Students learn from play and exercise- which has a strong benefit in learning! We will be having a half day on January 24 for conferences, students will be dismissed at 11:35am. If you would like a conference with your child's teacher, please let him or her know. As always, we are happy to partner with you in your child's learning. We are wishing you a WONDERFUL 2020!

Yours in Education,
Mrs. Goode

Gifted Open House

Come learn about Gifted Education in your child's school:

- *Needs of gifted learners
- *How students are identified
- *What students learn

**Thursday, January 23, 2020

This message is available in Arabic, English, Korean, Spanish, Urdu, and Vietnamese on the EL Translation and Interpretation Services intranet page, choose "Translations Library," then "Special Education" to find "Rights to Special Programs, Services" documents.

2nd Grade Aquatics Field Trip!

Our 2nd grade classes will be attending an Aquatics Water Safety School! This program will provide your child with the tools he or she will need to stay safe in and around the water. Each child will be assessed on the first day and placed in a group that corresponds with their skill level.

The first session will be on Thursday January 16th and will end on February 13th

For more information about this trip, please contact your student's teacher.
