Message from the Principal:

I can hardly believe that November is already here. We are finished with one quarter of school and report cards will be coming home soon. This month, please make sure that you send your student to school with coats, hats, gloves that are labeled with their names. If you need support with these items, feel free to reach out to me or one of our counselors. We want to make sure everyone is warm. Make sure to label all clothing items with your child's name. This is the time of year when the lost and found grows!

In November, please make sure that your students are reading. They should be reading for 20 minutes a night. They can read books on the computer or actual books, but the important thing is that they are reading. You can also read to them. The more a child practices his/her reading, the better vocabulary they have and the better they do in school. There have been many studies that prove this. Please let your child's teacher know if you have any questions about what students should be reading. WE are here to help! READ ON!

Have a wonderful November and a Happy Thanksgiving. Make sure to pay attention to days off listed on their newsletter. November is a choppy month. Please make every effort to make sure your child attends school on all of the instructional days.

Yours in Education,

Mrs. Goode ☺

Please don't park in the fire lane!

This purpose of the fire lanes is to prevent parking and standing in front of or adjacent to fire hydrants and to provide clear access to building and fire protection equipment for fire rescue apparatus. Parking or otherwise obstructing such areas is prohibited by the Fire Marshall's Office. First responders cannot put out the fire, rescue the patient, or otherwise conduct emergency operations unless they can get to the emergency.

Parents as Educational Partners (PEP)

**Classes will be held in our library
from 4:30pm-6:30pm!**

Join our classes to learn about:

- Your student's education
- Helping your student in school
- Learn about school rules and routines

**Classes will be on the following
dates:**

**November 18, 25
December 2, 9, 16**

**If you are interested in attending
our classes, please call for Mrs.
Wendy Pimentel in the front office
703.361.4811.**
